# THE LIBRARY OUTLOOK

WINTER 2015-2016

Our Youth Services Department welcomes Bridgett Kaiser to the staff. Bridgett has a degree from the DeVry Institute of Technology and has almost two decades experience working with technology, sales operations and customer service. Bridgett has lived in FRG for the past fifteen years with her husband and two boys. Bridgett's enthusiasm is infectious, "Best job ever! I really enjoy working with the kids and am excited to be part of the FRGML team," she told us when asked about her new position.

We also welcome Dr. Mark Keresztesy to the Fox River Grove Board of Trustees. Dr. Mark is a chiropractor practicing in Arlington Heights, Illinois. Before beginning his medical education, Dr. Mark worked as an electrical engineer. He is an enthusiastic supporter of the Fox River Grove Library, and we are pleased that he has decided to put his varied experience to work for us.

To celebrate William Shakespeare's legacy and the anniversary of his death on April 23, 1616, the Washington, D.C.-based Folger Shakespeare Library will bring an original First Folio of Shakespeare's works, published in 1623, to the Lake County Discovery Museum in Wauconda during February 2016, as part of a traveling exhibition. The Lake County Discovery Museum is part of the Library's Museum Pass program. Come to the Library to pick up a museum pass for two free admissions.
