One Hundred Years of Fox River Grove

Can you believe Fox River Grove is celebrating its centennial in 2019? It's true! On August 18, 1919, the Village officially came into being. The Library is proud to be one of the hosts of the many celebrations happening all throughout 2019 starting with "Al Capone and the 1933 World's Fair with William Hazelgrove" on page two.

We're also hoping you, the residents of Fox River Grove, will help us grow our beloved Local History section. Let's be inspired by this special anniversary and share our mementos of FRG history with the whole community. We are especially looking for:

- Cary-Grove High School yearbooks
- Historical photos and signs
- Your best "Box River Groves" from everyone's favorite third-grade project at ARS for a special fall display
- Old library paraphernalia, including library cards, bookmarks, etc., but also your library memories! We know one patron who registered her library card in July 1969 – can anyone beat that?!!
- Storytellers for an "Old Timers' Club" event this fall – if you've got a great FRG story, we want to hear it!

If you have other ideas or keepsakes to loan for a short-term display or to donate to our permanent collection, please let me know. We've got one hundred years of stories to share!

Thank you to the sponsors of our Grand Reopening celebrations!

We had a lot of fun at our Grand Reopening celebrations hosted by the Library Board and staff in October. Thanks very much to the generous sponsors who helped make them possible: Grover's Bar and Grill, Kelsey Roadhouse, Crystal Lake Brewing, Jewel-Osco, Armanetti, Friends of the Library, Marylou Nunamaker, Jeff and Lindsay Medina, Denise Gans, Laura Anderson, Michael Campbell, and Forward Thinking EDU.
