

Program Participation Policy

All programs of the Fox River Grove Memorial Library are open first to all residents of the Fox River Grove Public Library District. Program registration will be open exclusively to FRGML cardholders for one week upon opening of registration for seasonal programming.

Residents of areas unserved by any public Library taxing district are required to pay an annual fee in order to access Library services, including programs. See the Non-Resident Library Cards policy for details. Upon payment, non-residents' participation in all Fox River Grove Memorial Library programs will be equal to residents of the FRG library district.

Registration will be open to Library card holders from surrounding communities regardless of their residence one week after opening of registration for seasonal programming. Should a program require a waiting list, FRGML cardholders on the list would retain priority over all others.

The Library reserves the right to photograph program participants. Photos are for library use and may be used in library publicity materials. Patrons who do not wish to be photographed should notify library staff.

The Library reserves the right to charge a fee for certain programs.

Approved July 2018
